---

**ORGANIZATIONS PARTICIPATING IN GHRP:** UN agencies and NGO consortiums coordinated by OCHA. GHRP complements plans by the International Red Cross and Red Crescent Movement.

**PRIORITIZING:** 1) Containing the spread of the COVID-19 pandemic and decreasing morbidity and mortality; 2) Decreasing the deterioration of human assets and rights, social cohesion and livelihoods; and 3) Protecting, assisting and advocating for refugees, internally displaced people, migrants and host communities particularly vulnerable to the pandemic.
**HEALTH**

**TOP RISK FACTORS**
Non communicable chronic diseases such as kidney diseases, cardiovascular diseases, diabetes, tuberculosis and HIV/AIDS

- Pregnant women: 1.4M
- Children and adolescents: 2.8M

Not on HIV treatment, worldwide

**PRIORITIES**

- 300 metric tons of humanitarian and medical cargo to 89 countries. Dispatched by WFP since late January. Shipments include masks, gloves, ventilators, testing kits and thermometers.

- 700,000 children and caregivers reached with mental health and psycho-social support in 70 countries

- 1,200 metric tons of test kits and other essential medical supplies delivered by solidarity flights to 52 countries in Africa.

**FOOD**

- 135 million already food insecure in 2020

- 368M children are missing out on school meals.

- 1M Palestinian refugees in Gaza risk disruption of UNRWA food assistance.

**WASH**

- 8.6M people reached with critical water, sanitation and hygiene supplies

**LOGISTICS**

- 80% drop in vaccines shipments

- 700 flights expected each month for humanitarian cargo and passengers to some 120 countries

**ECONOMY**

- 20% drop in remittances (=30% GDP in some countries)

- Poverty could rise by 500M people

- -3% growth in global GDP in 2020 (IMF)

- ▼13-32% drop in world trade (WTO)

- Equivalent of 305M jobs lost

Date of creation: 6 May 2020
### ACCESS
- **Travel restrictions** in all GHRP countries

### CEASEFIRE
- Endorsed by 100 countries and 16 armed groups

### VULNERABLE PEOPLE

#### DISPLACED PEOPLE
- 80% of refugees ≈ 100% of IDPs live in countries with weak economic and health systems
- 167 states closed their borders
  - 57 of them are not accepting people seeking asylum

#### OLDER PEOPLE
- 66% have underlying health conditions
- Violence and abuse on the rise due to lockdown and reduced care
- In low-income countries only 20% have access to a pension (even fewer for women)

#### PEOPLE WITH DISABILITIES
- 80% of people with disabilities in the world live below the poverty line (WHO)

### WOMEN
- ↑ 25% violence against women
- Violence against women and girls costs an estimated $1.5 trillion per year
- 76% unpaid care work performed by women
- 140 governments support UN call to end violence against women

### CHILDREN AND ADOLESCENTS
- 117M children could miss out on measles vaccinations
- 480M with disrupted education in GHRP countries
- 8M refugee children
