Content for this topic: **UN Humanitarian Funding – demystifying NGO access**, was informed through a combination of contributions from individuals and desk research.

With special thanks to Fatima Sherif-Nor of UNHCR, Marcus Prior of WFP, Cecilia Roselli of NRC and Kenneth Hansen of FAROS for their participation in this topic’s webinar, arranged in partnership with the International Association of Professionals in Humanitarian Assistance and Protection (PHAP).

**USEFUL FURTHER READING**

**WHERE TO FIND MORE INFORMATION**
**ICVA:** A global humanitarian NGO network. ICVA’s efforts on humanitarian financing aims to ensure that humanitarian financing meets the needs of populations affected by crises, and NGOs understand, influence and have better access to humanitarian financing. Access the humanitarian financing e-learning section.

**Building a Better Response:** Aims to enhance the capacity of national and international NGO workers and other humanitarian actors to engage with the international humanitarian coordination system. BBR provides capacity strengthening tools including e-learning and in-person workshops

**Disasterready.org:** An online learning library of hundreds of training resources related to humanitarian and development work, available in Arabic, English, French and Spanish

**Harvard Humanitarian Initiative (HHI):** A university-wide academic and research centre promoting understanding of humanitarian crisis and developing evidence-based approaches to humanitarian assistance. HHI’s resources include publications, podcasts, videos, e-learning and workshops.

**Humanitarian Leadership Academy (HLA):** HLA’s Kaya platform hosts a growing resource of humanitarian training and learning courses in Arabic, English and French.

**IASC Humanitarian Financing Task Team (HFTT):** The HFTT brings together aid agencies to reduce obstacles to increased humanitarian funding, and posts a range of key reports, events and meeting outcomes.

**Less Paper More Aid:** Less paper more aid is an initiative carried out by NGOs to reduce the burden of donor conditions on aid agencies and thereby improve the efficiency of humanitarian action.
