Children and women are most affected in humanitarian situations

UNICEF is on the ground before, during and after emergencies.

Humanitarian action is central to our equity refocus and is a priority of our Strategic Plan cutting across the 5 goal areas.

UNICEF supports countries to respond to average 300 humanitarian situations per year.

STRENGTHENING HUMANITARIAN ACTION in UNICEF

- Be more predictable and dependable
- Be more systematically principled, in advocacy, behavior and action
- Be more focused on quality, equity and accountability
- Be faster, by anticipation and preparedness
STRENGTHENING HUMANITARIAN ACTION in UNICEF

• Be better able to build on its own strengths (HDN) including for systems building, social cohesion
• Be a better partner
• Be a better coordinator / cluster lead
• Be more innovative in making use of range of tools
THANK YOU!
