AGENDA FOR HUMANITY
5 CORE RESPONSIBILITIES

#1 Prevent and end conflicts
Demonstrate timely and decisive leadership to prevent and resolve conflicts.

- Leadership in preventing and end conflict
- Act early
- Stay and invest
- Involve women, men and young people from all levels of society in decision-making in order to foster lasting peace.

#2 Respect rules of war
Protect civilians and civilian property
Spare civilians and civilian property in armed conflict.

- Act early
- Support refugess and internally displaced persons to be safe, live in dignity and become self-reliant.
- Systematically speak out against violations of the rules of war.
- Use every available method to improve compliance with the rules of war and hold to account those who violate them.

#3 Leave no one behind
Address displacement
Address migration
Ensure delivery of humanitarian and medical assistance
Let humanitarian and medical assistance operate in safety and reach all people in need.

- Let humanitarian and medical assistance
- Address the specific vulnerabilities of migrants in crises, and do more to combat human trafficking and people smuggling.
- Commit to ending statelessness in the next decade.

#4 Work differently to end need
Reinforce local systems
Invest in local capacities
Invest according to risk

- Respect, support and strengthen local leadership and enable people to be the central drivers of relief and recovery efforts.
- Invest in early warning and take action early to prevent and mitigate crises.
- Invest more in crisis prevention and building community resilience in the areas most at risk, including from disasters and the impacts of climate change.

#5 Invest in humanity
Invest in stability
Shift from funding to financing

- Increase investment in fragile situations and in conflict prevention and resolution.
- Replace short-term funding with flexible, longer-term financing to meet needs and reduce vulnerability.
