

Sorry-heart pipo wei dem wan helep IDPs especially **woman and ngundere** them di mixam with **njumba palava** dei spoil dem work and dem dei also add more palava for sikin for IDPs dem. We dei ask all man for **report one time** wen you see this kind thing with your eye. **Make law go before** so that make this kind thing no ever happen again for we communities dem.

**Focal Point: 674727316 / 677010421**
