## ***Report of the statutory auditor to the General Meeting on the financial statements 2018***

# ***Report of the statutory auditor to the Association Board of ICVA - International Council of Voluntary Agencies***

***Geneva***

## ***Report of the statutory auditor on the financial statements***

As statutory auditor, we have audited the financial statements of ICVA - International Council of Voluntary Agencies, which comprise the balance sheet, statement of income and expenses, cash flow statement, statement of changes in capital and funds and notes, for the year ended 31 December 2018. As permitted by Swiss GAAP FER 21 the information in the performance report is not required to be subject to audit.

### ***Association Board's responsibility***

The Association Board is responsible for the preparation of the financial statements in accordance with the requirements of Swiss GAAP FER, Swiss law and the Association's deed and internal regulations. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Association Board is further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

### ***Auditor's responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Swiss law and Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements for the year ended 31 December 2018 give a true and fair view of the financial position, the results of operations and the cash flows in accordance with Swiss GAAP FER and comply with Swiss law and the Association's deed and internal regulations.

## ***Report on other legal requirements***

We confirm that we meet the legal requirements on licensing according to the Auditor Oversight Act (AOA) and independence (article 83b paragraph 3 CC in connection with article 728 CO) and that there are no circumstances incompatible with our independence.

In accordance with article 83b paragraph 3 CC in connection with article 728a paragraph 1 item 3 CO and Swiss Auditing Standard 890, we confirm that an internal control system exists which has been designed for the preparation of financial statements according to the instructions of the Association Board.

We recommend that the financial statements submitted to you be approved.

**Notes to the 2018 financial statements**

**1. Presentation**

ICVA (the International Council of Voluntary Agencies) is a global consortium of humanitarian non-governmental  
ICVA was founded in 1962 and established as an association within the meaning of Article 60 et seq. of the Swiss Civil Code. The ICVA headquarters are located in Geneva, Switzerland.

ICVA's mission is to make humanitarian action more principled and effective by working collectively and independently to influence policy and practice.

**2. Significant accounting policies**

**2a. Accounting Conventions**

ICVA financial statements have been prepared in accordance with the Statutes of ICVA (as approved by the 16th ICVA General Assembly on 10 March 2015), the applicable provisions of the Civil Code (article 69a) and of the Swiss Code of Obligations and the Swiss Generally Accepted Accounting Principles (Swiss GAAP RPC including Swiss GAAP RPC 21, which was revised in 2015).

The financial statements have been prepared using historical cost principles and are presented in Swiss francs.

As permitted by Swiss GAAP FER 21, the accounts were prepared in compliance with the conceptual framework, the fundamental recommendations and recommendation 21.

Information required by Swiss GAAP FER 21 on the performance of the Association, and not disclosed in the financial report, is included in the annual report. The statement of income and expenses is presented using the classification of

The Treasurer and Executive Director reviewed the ICVA annual financial statements on 19th March 2019, and the Board will approve them on 25th March 2019.

**2b. Valuation principles**

Receivables are stated at their nominal value, less any value corrections.

**2c. Scope of the financial statements**

Derogation from the continuity and disclosure principles : in order to ensure comparability with the current exercise, certain items from the previous year have been reclassified.

**2d. Foreign exchange**

Monetary assets and liabilities denominated in foreign currencies are converted into Swiss francs at the rate of exchange but Accounts Receivable in foreign currencies which are received before the closing of the annual accounts are recorded at the exchange rate applied at the transaction date.

Transactions in foreign currencies are recorded in Swiss francs at the rate received or, if not exchanged into Swiss Francs, at the exchange rate in force on the first day of the month of the transaction (using [www.oanda.org](http://www.oanda.org)).

**2e. Fixed assets**

Normally, tangible assets are considered to be fixed assets when they are expected to be used for more than one year.

As an exception to this principle, ICVA charges the full cost in the year of acquisition of tangible assets since the most of the assets purchased are computer and conferencing equipment and it is difficult to determine, in a reliable way, their

**2f. Depreciation**

Since ICVA expenses assets upon purchase, no depreciation is calculated.

Where capital leases exist, assets are depreciated over the duration of the lease, using the straight line method

## **2g. Revenue recognition**

Revenue is recognised when it is probable that the economic benefits associated with the transaction will inure to ICVA and can be reliably estimated.

## **Donations**

Donations are recognised in the statement of income and expenses once they definitively belong to ICVA. They are considered as unrestricted funds, unless the donor stipulates a specific restriction.

When the donor wishes to see a donation allocated to a specific cause, the donation is considered to be an allocated fund. Allocated funds that have not been used at the end of the year are presented in a separate section of the balance

## **Funding contracts**

Income from funding contracts signed between donors and ICVA is recognised in the year in which the financed expenditure is incurred.

Outstanding grant amounts at the accounting closure that will be used in future years are recognised under the section "Specific Project Balances".

## **2h. Bequests**

Bequests and legacies that are accepted but not liquidated are deemed to be contingent assets. They will be recognised as revenue when they are effectively transferred to ICVA, which will also acquire control thereof.

### **2i. Contributions in kind**

ICVA regularly receives donations in kind, primarily in the form of the free use of goods or services from members and partners. These contributions in kind are not stated in the operating account, since it is difficult to determine a reliable monetary equivalent for their value.

### **2j. Programme expenditure**

Expenditures are recognised when incurred.

### **2k. Related parties**

Related parties include Board members of ICVA, but not member organizations of ICVA, since ICVA is a network of independent non-governmental organizations.

### **2l. Provisions**

Provisions are made when it is reasonably certain that a specific liability will materialize and it can be valued accurately.

## **3. Tax exemption**

ICVA qualifies for exemption from local and federal income tax and capital tax, according to Article 9.1 (f) of the Law on taxation of legal persons ("LIPM"). The local exemption was renewed on March 22, 2011 for a period of 10 years.

## **4. Performance report**

In accordance with the Swiss Gaap RPC 21, ICVA produces an Annual narrative Report.

## **5. Management of financial risks**

Risks are periodically analysed on an organisation-wide basis, which gives rise to a report that is submitted to the Board of Directors. In terms of financial risks, we draw your attention to the following items:

### **5a. Foreign exchange risk**

ICVA is exposed to exchange rate fluctuations, insofar as 67% of its income and 19% of its expenses are in foreign currencies. ICVA has no active foreign exchange risk hedging policy and tends to convert currencies as and when they are required. The reserves are kept mainly in Swiss francs.

### **5b. Banking risk**

ICVA avoids banking risk, by working with UBS Switzerland, which has low risk of default.

#### 5c. Counterparty risk

The counterparty risk is limited, insofar as most of the third party receivables are due from governments or public bodies with whom ICVA has grant agreements.

#### 5d. Current liquid assets and reserves

The reserves of ICVA are indispensable in preserving its operational capacity to react quickly and in managing varying timelines for grant transfers, including transfers made only on a reimbursement basis. ICVA policy ensures that sufficient cash is available at all times for its activities and the majority of ICVA's reserves are made up of cash or cash equivalents.

#### 6. Cash & cash equivalents

	2018	2017
Bank accounts	841'693.84	912'594.30
Cash	5'541.42	6'966.73
<b>Total</b>	<b>847'235.26</b>	<b>919'561.03</b>

#### 7. Accounts Receivable

	2018	2017
Membership Fees	89'583.06	20'000.00
PRM USA	301'235.00	268'232.20
OFDA USA	4'088.00	175'341.53
Netherlands - Ministry of Foreign Affairs	105'000.00	105'000.00
ECHO	90'035.00	-
Others	43'147.06	21'807.38
<b>Total</b>	<b>633'088.12</b>	<b>590'381.11</b>

Funding contract receivables come from contractual commitments signed with donors.

#### 8. Prepaid expenses

	2018	2017
Prepaid expenses	7'915.80	14'406.57

The prepaid expenses are mainly made of insurances for the ICVA staff, travels and registrations for meetings taking place in 2018.

#### 9. Guarantee deposit

	2018	2017
Rental Deposits	20'074.60	20'074.60

The rental deposit includes the bank deposits for the office and parking.

#### 10. Short-term liabilities

	2018	2017
Accounts payable	163'419.08	252'146.39
Accrued expenses	79'783.45	35'666.18
Deferred income	48'880.93	360'101.00
<b>Total</b>	<b>292'083.46</b>	<b>647'913.57</b>

## 11. Detail of income and expenditure

The detail of income and expenditure are shown in the 'Statement of Income and Expenditure'.

## 12. Personnel expenses

The number of full-time equivalents as at 31 December 2018 was 13.9 (2017: 11.9).

As permitted by Swiss GAAP FER 21, the total amount of remuneration paid to the persons entrusted with management is not disclosed.

A Personnel Contingency Reserve of CHF 64,132.75 as of 31 December 2018 (2017: CHF 24,325.38) represents the employees leave balance at the year-end.

## 13. Pension plan obligation

ICVA employees on contracts of three months or more benefit from a scheme covering retirement, invalidity pension, and death according to the provisions of the Federal Law for occupational retirement (LOB).

The occupational benefits are provided by Nest, according to a defined-contribution benefit plan: investment yield has no impact on premiums; the employer does not guarantee the benefit amount.

The Plan is funded by the contributions of ICVA and the employees.

The plan covers the usual occupational benefits: retirement and invalidity pension, and death benefits. Risks are insured by Nest.

As at 31 December 2018, 14 employees were affiliated to the pension plan (2017: 10). As of December 31st, 2018 no LPP amount is due.

NEST	2018*	2017
Vested benefits	686'845.45	472'161,55
Premiums paid	133'727,95	124'057,35
Capital ratio	108.5%	115%
(* The 2018 figures from Nest are unaudited.)		

## 14. Off-balance sheet commitments

### 14a. Commitment linked to office contracts

ICVA leases office space for its headquarters under renewable lease contracts, with six months notice and leases printers for a period of five years, currently to January 2023.

The minimum future office space leases of 6 months as of 31/12/18 and that cannot be terminated, totalled CHF 45'570 (2017: CHF 49'950).

**14b. Leasing movement schedule**

ICVA entered in a leasing agreement with Inergy on January 1st, 2018 for two printers for a 60 months period.

This leasing is considered a finance lease and as such has been activated.

Value in CHF as of 01.01.2018	2018 Amortization amount in CHF	Value in CHF as of 31.12.2018
27'145	5'429	21'716

**14c. Board compensation**

The members of the Board are not compensated except for reimbursement of travel and accommodation costs when these are not covered by their own organization.

**15. Subsequent events**

There have been no significant events impacting the annual accounts of 2018 between the balance sheet date and the date of signing the financial statements.
