Humanitarian Action Central to UNICEF's Work

Children and women are most affected in humanitarian situations

UNICEF is on the ground **before, during and after** emergencies.

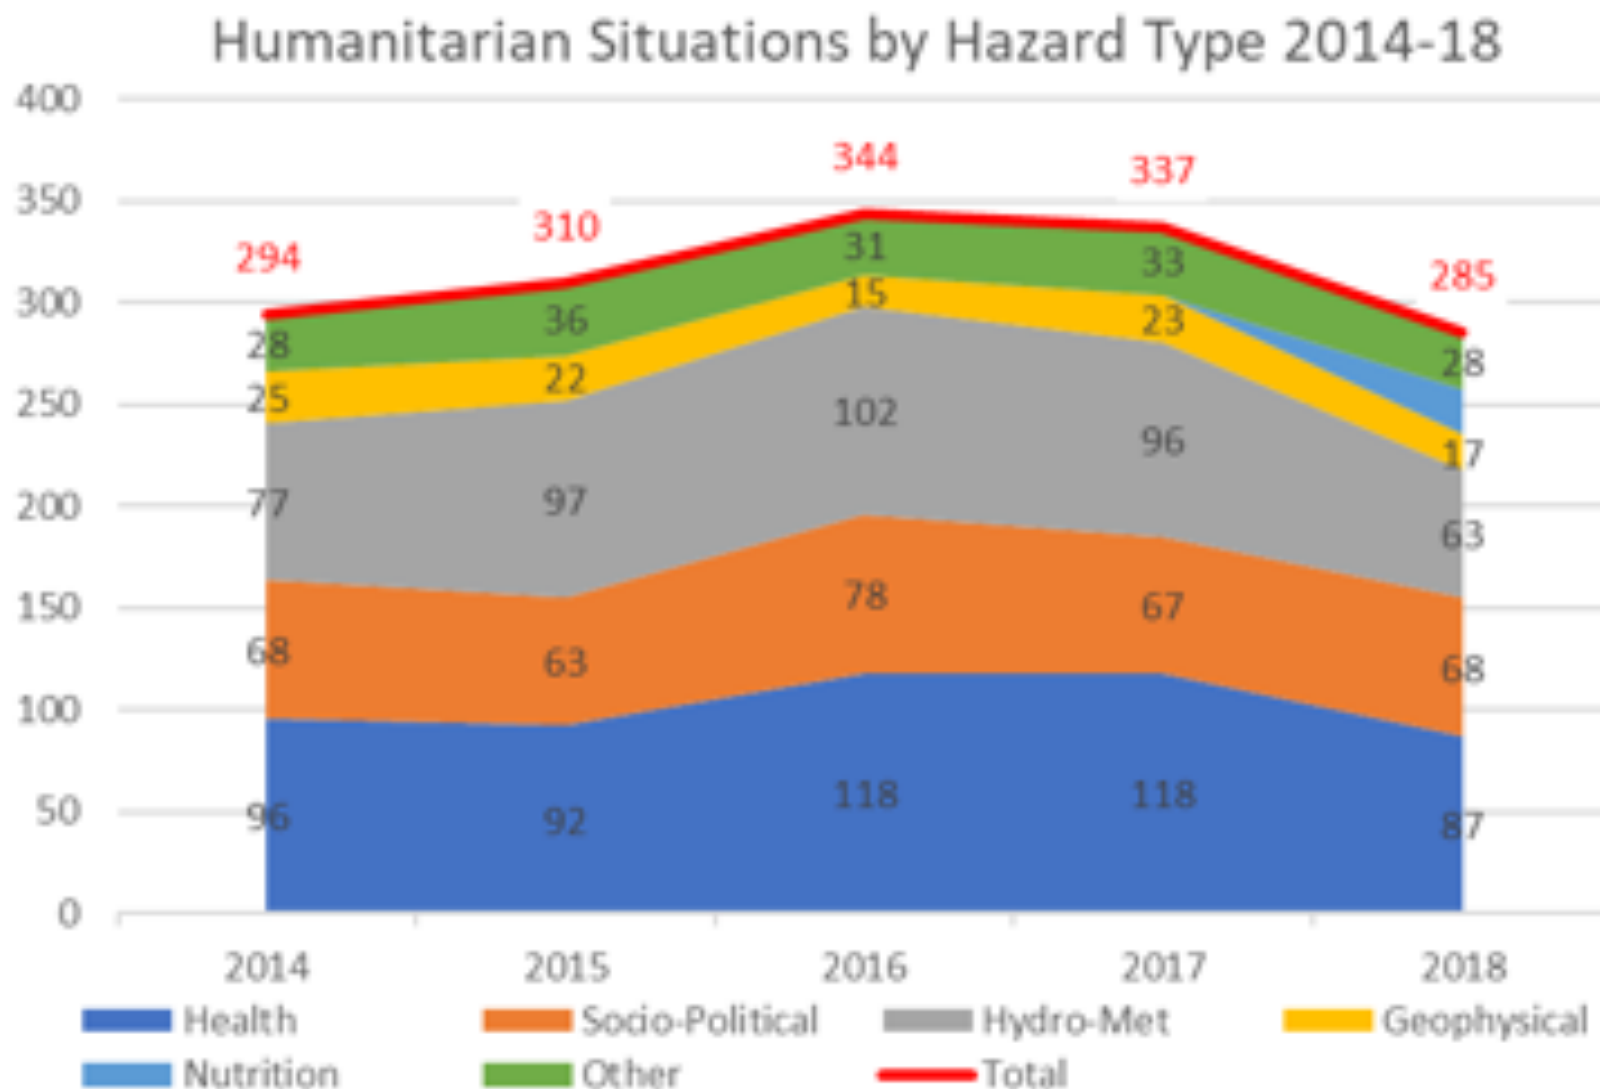

The Convention on the Rights of the Child and optional protocols guide our work on **child protection and children in armed conflict**.

Humanitarian action is central to our **equity** refocus and is a **priority of our Strategic Plan** cutting across the 5 goal areas.

UNICEF supports countries to respond to average **300 humanitarian situations per year**.
