Resource and Support Hub (RSH) overview

Supporting organisations in the international **humanitarian and development sectors** to strengthen their safeguarding policy and practice against **Sexual Exploitation, Abuse and Sexual Harassment** (SEAH)

Vision

We are committed to being **catalytic, collaborative and adaptive**. We are informed by the needs of **civil society organisations**, guided by **survivor-centred principles** and focused on **contextualised** products and services.

- Funded by UK Aid from December 2019 – November 2024
- A global multilingual online platform with 8 National Hubs across 3 regions

Our approach to National Hubs

- Our primary audience is less resourced CSOs in low income and fragile contexts
- Partnership and collaboration are central
- Strategic priorities are based on evidence from a Country Assessment and user survey
- Services are tailored, contextualised, translated and blended
- Strategic advice provided by National Expert Board in each Hub
- Activities include a Hub website with contextually relevant resources, a mentorship scheme, and an Ask and Expert service
