

ICVA THEORY OF CHANGE 2019-2021: HUMANITARIAN FINANCING

TOP OUTCOME

Humanitarian financing meets the needs of populations affected by crisis.

OUTCOMES – 2019-2021

INCREASED TRUST BETWEEN DONORS AND NGOs

Transparency:
increased access
& use of data

Improved risk
management & risk
sharing across donors
& partners

Improved collaboration
between actors, including
humanitarian
& development

NGOs easily access
adequate donor funding
and comply with a light
oversight burden

Closing the funding
gap: increased overall
level of funding
to humanitarian
operations

The quality of existing
funds improves
(they are more
accessible, sustainable,
flexible, etc.).

Implementation of Grand Bargain commitments

Less Paper More Aid initiative to reduce donor conditions on humanitarian aid
