Key Insights from Information  
Gathering phase

What are your goals?

What are your priorities?

What are your strengths and weaknesses when it comes to  
practising DEI within your organisation?

What activities are the best way to achieve these priorities and goals?

What do you need to make these activities happen?

Whose support do you need to make these activities happen?

What are risks and assumptions being made and how do you plan to address them?

What does success look like and how are you measuring it?
