THE GLOBAL STANDARD PARTNERSHIP

Ten founding Civil Society organisations from around the world > a global movement for CSO accountability

- ✓ A global reference of **shared values** and goals that can be contextualized
- ✓ **Comprehensive** and framed in simple language, can be adapted to each organization scope of work and structure
- ✓ Outlines the **different dimensions** CSOs can refer to when they want to improve their accountability practices
- ✓ **Co-created** with a **bottom-up approach** and based on the Istanbul Principles
